ADAM HARIZ BIN

AUGUSTINE

GENERAL MANAGER EAST REGION

Adam Hariz Bin Augustine is a seasoned Mechanical Engineer with over 14 years of experience specializing in HVAC, air conditioning, and fire fighting systems. He holds a Bachelor's in Mechanical Engineering from Universiti Tun Hussein Onn and a Master's in Management from University Tun Abdul Razak.

Starting his career in the Royal Malaysian Navy, Adam Hariz gained extensive hands-on experience in marine engineering, advancing to key roles such as Marine Engineering Officer and Base Maintenance Officer. In these positions, he was responsible for managing complex maintenance schedules, troubleshooting mechanical failures, and ensuring the operational readiness of naval vessels. His leadership in ship docking, sea trials, and post-refit testing demonstrated his ability to handle critical engineering tasks in high-pressure environments.

Transitioning into the private sector, he served as Project Manager at Noske-Kaeser Malaysia Sdn Bhd, where he led the design, installation, and maintenance of mechanical systems across multiple projects. His work included managing budgets, timelines, and resource optimization, ensuring successful project delivery under strict constraints. He also fostered strong vendor relationships, securing cost-effective solutions and diversifying project capabilities.

Adam Hariz is known for his strategic mindset, risk management expertise, and leadership in driving teams to success. He is a member of several professional organizations, including ASHRAE, BEM, and the Institute of Materials Malaysia. Passionate about continuous development, he remains committed to advancing engineering solutions and contributing to the success of future projects.
